Help Us Help Others

How you can help:

MEMORIAL GIFTS

At **Family Hospice** we have relied over the years on thousands of friends to help us with financial support. We provide hospice care for all who qualify, no matter their ability to pay. In most cases Medicare, Medicaid, and private health insurance reimbursements cover approximately two-thirds of the actual cost of our services. This leaves us with a shortfall which can only be met through support from the community.

Your financial assistance makes the difference!

MEMORIAL GIFTS: IN MEMORY OF

The most frequent gift to Family Hospice is a donation *in memory of* a deceased relative or friend, a wonderful way to celebrate the life of someone you love. Every year hundreds of people are memorialized by those who care about them, and these gifts provide important dollars for our operations.

Memorial gifts give special meaning to the family of the deceased loved one, allowing a donor to express sympathy, love and respect, while contributing to the work of Family Hospice.

MEMORIAL GIFTS: IN HONOR OF

Family Hospice also often receives gifts *in honor of* special people and special events like birthdays or anniversaries.

What a wonderful way to celebrate an important moment in your life or in the life of someone you love. At the same time, you help us continue to provide outstanding hospice service, regardless of anyone's ability to pay.

When you make a gift *in memory of* or *in honor of* someone, Family Hospice will send a personalized letter to the person being memorialized or honored acknowledging your gift.

REMEMBRANCE TREE

When requested, gifts made to Family Hospice *in honor of* or *in memory of* a loved one will be recognized by inscribing the name of the loved one on a leaf, acorn, or stone of the **Memorial Tree** located in the front foyer of the Family Hospice office.
